Your Role as a Parent *(Important excerpts from the NCD and CCC)*

“Parents are the first and foremost catechists of their children. They catechize informally but powerfully by example and instructions. They communicate values and attitudes by showing love for Christ and his Church and for each other, by reverently receiving the Eucharist and living in its spirit, by fostering justice and love in all their relationships. Their active involvement in the parish, their readiness to seek opportunities to serve others and their frequent prayer, all make meaningful their profession of belief. Parents nurture faith in their children by showing them the richness and beauty of lived faith.”

Sharing the Light of Faith-

National Catechetical Directory for the United States (NCD)

"The role of parents in education is of such importance that it is almost impossible to provide an adequate substitute."

Catechism of the Catholic Church, n. 2221 (CCC)

Please make attending Mass every week a priority. Your family will benefit greatly! A family that prays together grows in faith together!

We Are Grateful for Our Catechists

Catechists are volunteers who receive no monetary payment. They share their time, talent, and faith-life with your children for the great love of Jesus and the Church! They are either certified or working towards certification under the Archdiocese instructed in areas of Theology, Scripture, Sacraments, Class Management and Teaching Techniques. Please keep them in your prayers.

Catechists have a vocation...a calling from the Lord rooted in Baptism to carry out His mandate to teach the Gospel. The General Directory for Catechesis tells us that “The Church awakens and discerns divine vocation and confers the mission to catechize. The Lord Jesus invites men and women, in a special way, to follow him, teach and form disciples.” (GDC 231)
