“Students at John Paul II Catholic School in Lincoln Park recently made a special delivery to Dr. Rozzelle's plastic surgery clinic at Children's Hospital in Detroit. The student body collected coloring books, crayons, markers, sketch pads, and activity books during Catholic Schools Week and on March 3, 2017 the Student Council delivered the goods”.

Thank you again to all of the school families and parishioners of our supporting parishes for their donations of Musical Instruments!! These donations truly afford more students to join in the awesome experience of being a member of a school band.

Did you hear??? March is Reading Month, and we at John Paul II celebrate READING as something enjoyable for all ages. This March, John Paul II Catholic is asking for donations of new or gently used books for all grade levels. Our goal is for every classroom to have a Library of books. All duplicate books will be donated to the Perry Outreach Center for the less fortunate of our community. On March 14th the students enjoyed Storyteller Judy Sima, and a special thank you to all of our guest readers this month!

We are so excited and very thankful to have experienced once again the music, voice and prayerful ministry of Vince Ambrosetti right here at John Paul II. This Mission opportunity came to our school, gifted by the Pastors of Christ the Good Shepherd, St. Andrew and Benedict, St. Andre` Bessette, and St. Mary Magdelene.

I may be small but He lives in me...I have big steps little feet”*
