Your Role as a Parent

(Words of wisdom from the NCD and CCC)

“Parents are the first and foremost catechists of their children. They catechize informally but powerfully by example and instructions. They communicate values and attitudes by showing love for Christ and his Church and for each other, by reverently receiving the Eucharist and living in its spirit, by fostering justice and love in all their relationships.

Their active involvement in the parish, their readiness to seek opportunities to serve others and their frequent prayer, all make meaningful their profession of belief.

Parents nurture faith in their children by showing them the richness and beauty of lived faith.”

Sharing the Light of Faith-

National Catechetical Directory for the United States (NCD)

“The role of parents in education is of such importance that it is almost impossible to provide an adequate substitute.”

Catechism of the Catholic Church, n. 2221 (CCC)

**Please make attending Mass every week a priority.
Your family will benefit greatly!**

A family that prays together grows in faith together!

Our Catechists

Catechists are working towards, or have attained, Catechist Certification under the Archdiocese policy on Religious Education Certification.

Catechists are instructed in areas such as: Theology, Scripture, Sacraments, Class Management and Teaching Techniques. Catechists are volunteers who receive no monetary payment for sharing their time, talent and faith life with the children. They just simply have a love for the faith that they long to share. Keep them in your prayers and be assured they have your children in theirs.

Catechists have a vocation...a calling from the Lord rooted in Baptism to carry out His mandate to teach the Gospel. *The General Directory for Catechesis* tells us that “The Church awakens and discerns divine vocation and confers the mission to catechize. The Lord Jesus invites men and women, in a special way, to follow him, teach and form disciples.” (GDC 231)
